CONDITIONS:

1. Fire prevention and safety measures and appliances, availability of water supplies and means of access thereto etc provided in the building or premises, should be maintained in best repairs and efficient working condition at all times for use by the occupants or the members of the Fire Service or both in the event of outbreak of fire.

2. The setbacks, driveways, entrance/exits, staircases, lobbies, corridors and escape ways should not be changed, obstructed or modified in any way nor any permanent or temporary structure or projections whatsoever be constructed/made therein.

3. The basement of the building in no case be used for storage or other purpose except parking of vehicles. In case of any deviation the owner of the building will be solely responsible as has been undertaken by him.
4. All staff and occupants should be trained periodically to make them well conversant in use and operation of fire prevention and safety measures installed, and emergency drills/rehearsals organized at least once in six months by involving local Fire Station.

5. The occupier (s) shall appoint Fire Safety Supervisor exclusively for this premise.

6. Photocopies of this Certificate should be framed and displayed at all conspicuous places in all lobbies/corridors in all floors of all buildings/towers/blocks of this premises.

This issues with the approval of DGP, FS.
