CONDITIONS:-

1. Fire prevention and safety measures and appliances, availability of water supplies and means of access thereto etc provided in the building or premises, should be maintained by the occupier(s) in best repairs and efficient working condition at all times for use by the occupants or the members of the Fire Service or both in the event of outbreak of fire. Besides, periodic maintenance of the fixed and portable fire fighting installations shall be ensured and the record of which shall be produced during next fire audit.

2. The setbacks, driveways, entrance gates, exits, staircases, corridors and escape ways should not be changed, obstructed or modified in any way.

3. The occupier(s) shall train all staff and occupants periodically to make them well conversant in use and operation of the fire prevention and safety measures.

4. Fire Drills/rehearsals should be organized at least once in six months by involving local fire station.

5. The technical qualification of the Fire Safety Supervisor appointed for the premises shall be as prescribed under 15 (2) of Odisha Fire Prevention and Fire Safety Rules, 2017 and proof of the same shall be produced at this Directorate General by 31.12.2017 positively.

6. Photocopies of this Certificate should be framed and displayed at all conspicuous places in all lobbies/corridors in all floors of all towers/blocks of building/premises.
